# BUBBLES. FASHION. A LASTING IMPACT.

Today wouldn't be possible without the generosity and commitment of our incredible sponsors.

Your support goes far beyond making today's celebration possible. It helps fuel groundbreaking research, advance innovative treatments and provide meaningful support to children and families facing rare pediatric cancers.

At the heart of it all are the children who inspire our mission. Their courage, resilience and hope remind us why this work matters and why we must keep pushing forward.

Thank you for believing in our mission, standing alongside these families and helping us create a brighter future for every child fighting rare cancer.

Together, we're turning generosity into hope and hope into progress.
