Jersey Mike's raises \$135,000 for local pediatric cancer foundation during nationwide "Month of Giving"

37 Greater Charlotte area restaurants. 300+ smiling employees. 7,271 loafs of bread. Countless paper sandwich bags. Hundreds of community partners and long lines of volunteers, supporters and friends. **\$135,000 RAISED.** Thank you for eating subs with us.

[Jersey Mike's Subs](#) joined forces with its generous customers throughout the Greater Charlotte area in March to support the [Isabella Santos Foundation \(ISF\)](#) during the [8th Annual "Month of Giving" campaign](#). The campaign raised an incredible **\$135,000 for ISF** which will help fight rare pediatric cancer in the Charlotte region and beyond. ISF recently committed \$5 Million to establish [The Isabella Santos Foundation Rare and Solid Tumor Program](#) at [Levine Children's Hospital \(LCH\)](#). This program will oversee care for all solid tumors, rare tumors, MIBG therapy, and all related clinical and scientific research at LCH and it will be the first of its kind in the United States.

The month of fundraising culminated on March 28th with Jersey Mike's nationwide "Day of Giving" where 100% of the sales, not just the profits, were donated to the local charities.

More than \$6 million was raised by Jersey Mike's around the country, impacting more than 170 organizations. Thank you for eating at Jersey Mike's in March with us. The funds raised for the Isabella Santos Foundation stay right here in the Charlotte community. During times like these, we feel extremely humbled. Isabella has moved us and many others to take action for kids fighting cancer. Good things are happening because of Isabella's legacy. Thank you Queen City!

"Jersey Mike's is very honored to be a partner with such a great organization like ISF who is making a huge impact on the fight against pediatric cancers. It is truly amazing how many families the foundation touches and what a huge difference they are making in their lives. We are so proud to be a small piece of all this and look forward to a long lasting relationship with ISF."
