ISABELLA SANTOS FOUNDATION

2nd Annual

Golf For A Cure

TEE OFF FOR TRIALS TO SAVE KIDS

June 27, 2022 | 10 AM Shotgun Start
FIRETHORNE COUNTRY CLUB COURSE

Our mission...

The Isabella Santos Foundation (ISF) is committed to improving rare pediatric cancer treatment options in an effort to increase the survival rates of kids with cancer. Over the course of fifteen years, ISF has funded \$6 million toward expanding the scope of research and treatment and supporting families dealing with cancer in a variety of ways.

The event...

Team Build. Entertain clients. Catch up with friends. Practice Your Swing. Give Back to Charlotte. Increase your sales. Strengthen Your Community Involvement. Be a partner with Golf for a Cure. Help us raise funds for pediatric cancer research.

Who is attending...

People who want to help Charlotte be a premier destination for pediatric cancer care and create positive change for kids battling cancer.

Golf For A Cure

Event Sponsorship

**JOIN US AND BE A PART OF CREATING
HOPE FOR KIDS TO BEAT CANCER &
LIVE THEIR DREAMS.**

YOUR FUNDS ARE WORKING TO:

- Build a global rare pediatric cancer program
- Increase survival rates for kids with cancer
- Fund research to lead to less toxic & more treatment options
- Elevate Levine Children's Hospital as the global expert in pediatric oncology

" Much of our research on rare cancers will be done solely using ISF donations for the rare and solid tumor program and we cannot be successful without your partnership. During this exciting time, it is more important than ever to have ISF support the growth of research and clinical operations for the children of Charlotte and beyond because, without that support, we will not be successful."

—Javier Oesterheld MD
Director - Pediatric Hematology/
Oncology/BMT | Levine Children's Hospital

CHILDHOOD CANCER BY THE NUMBERS

46 # of children that are **diagnosed with cancer** each day in the US.

4% Pediatric cancer research **receives only 4%** of the annual budget from the National Cancer Institute

12 Pediatric cancer is not just one disease. It is made up of **12 major types & over 100 subtypes.**

71 Average **years of life lost** to cancer by pediatric cancer patients

1:5 1 in 5 children who are diagnosed with cancer **do not make it.**

2X Pediatric cancer survivors are **twice as likely** to suffer chronic health conditions & later effects
