STIR Announces November Charity Month with Partner, The Isabella Santos Foundation

[STIR](#) announces their November Charity Month will feature a “Cocktails for a Cure” program, benefitting their sustaining partner, The Isabella Santos Foundation. STIR will donate a portion of their draft cocktail proceeds along with support from Tito’s vodka.

“Service and hospitality is the foundation of the restaurant industry,” said Allen Corey, CEO of SquareOne Holding. “SquareOne believes hospitality should extend far beyond our dining tables and into the communities in which we live. The SquareUp Foundation is doing just that by supporting the mission of the Isabella Santos Foundation”

Dine with STIR during November to enjoy a delicious draft cocktail, all while giving back to this local Charlotte cause. STIR will also have QR codes available on each table if you’d like to make separate donations. STIR is located at 1422 S Tryon St Suite 130, Charlotte, NC 28203

About STIR

[STIR](#) is the perfect restaurant to sip a cocktail over a dozen oysters, enjoy a night out, or meet for lunch. Located in the Bank of America Building in North Hills, STIR is open for lunch, dinner and weekend brunch. Believing that great food starts with fresh ingredients, STIR’s kitchen prepares everything from scratch. Their signature cold bar is stocked with fresh oysters and seasonal seafood. Known for craft cocktails, STIR freezes and carves 300-pound blocks of artisanal ice and blends their own cordials and syrups in-house. They age certain cocktails in oak barrels for richer flavors and place other cocktails on draft for crispness and carbonation. The result is categorically elevated cocktails. STIR is focused on giving back to the community as well as within. SquareUp, the charitable organization created by STIR’s hospitality ownership company, assists employees who require financial support during times of economic hardship

through the HOPE (Helping Our People in Emergencies) Fund. Donations ranging between \$500 and \$1,000 to help employees facing natural disasters, illness, injury or other emergencies. STIR is located at 1422 S Tryon St Suite 130, Charlotte, NC 28203. Connect with STIR on [Instagram](#) and [Facebook](#).

About The Isabella Santos Foundation

The Isabella Santos Foundation (ISF) is driving research for advanced treatments against rare pediatric cancers impacting families and children right here in Charlotte. ISF coordinates missions directly with Levine Children's, funds national trials and research to provide safer treatments for children, and provides household support to families in need. ISF has been our charity partner since we opened in 2020.
