

ISABELLA SANTOS

FOUNDATION

Unite + Fight for Kids with Rare Cancer

The Isabella Santos Foundation's (ISF) passion lies within the belief that every child deserves the chance of survival.

Driven by Isabella's legacy of hope, resilience and the power of building a sense of community, ISF raises essential funds for research, clinical trials and survivorship programs to provide transformational outcomes for rare cancer heroes worldwide.

OUR IMPACT

Since 2007, ISF has raised over **\$14 million** to advance research, treatment and support for families battling rare pediatric cancers.

- Hired Top Research Oncologists
- Treated Patients Traveling Worldwide from 24+ Countries
- Opened Pediatric Cancer Research Lab at Levine's Children's Hospital
- Doubled the Solid Tumor Patient Volume
- Numerous Clinical Trials + Rare Cancer Studies Funded
- The Isabella Santos Foundation Rare & Solid Tumor Program Opened in July 2020

WAYS TO GET ENGAGED

Donate

Be a part of our driving force to provide hope and healing for the families at the forefront of our mission. Every donation counts – and we have a giving option for everyone.

Advocate

Join Isabella's Torchbearers to bring the reality of rare pediatric cancer to light. Educate and inspire others to provide a brighter future for all kids with cancer by becoming an ISF ambassador.

Sponsor

Elevate your brand and drive positive change. Designed to forge meaningful connections, our partnership programs empower businesses to make a difference in a meaningful and measurable way.

Fueling Progress

TORCH represents a powerful extension of the legacy of the Isabella Santos Foundation, building upon its established network and community engagement efforts with a focus on improving both the quantity and quality of life for young rare cancer patients beyond Charlotte.

Aimed to complement and broaden the impactful work achieved over the past 17 years and ignite positive change, TORCH will support projects encompassing **clinical trials**, **basic science**, **survivorship support** or a home hospital's **greatest need**.

BASIC SCIENCE

CLINICAL TRIALS

SURVIVORSHIP SUPPORT

GREATEST NEED

With a **\$2 MILLION** annual funding goal, we will engage with medical teams to ensure proper attention, awareness and action are delivered to every pediatric hospital across the Carolinas.
